Steel Wire Garment Hangers from the People's Republic of China: Final Results of Expedited Sunset Review of the Antidumping Duty Order

AGENCY: Enforcement and Compliance, formerly Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On September 3, 2013, the Department of Commerce (“the Department”) initiated the first five-year (“sunset”) review of the antidumping duty order on steel wire garment hangers from the People's Republic of China (“PRC”) pursuant to section 751(c) of the Tariff Act of 1930, as amended (“the Act”). On the basis of a notice of intent to participate and an adequate substantive response filed on behalf of the domestic interested parties, as well as a lack of response from respondent interested parties, the Department conducted an expedited sunset review of the antidumping duty order, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2). As a result of this sunset review, the Department finds that revocation of the antidumping duty order on steel wire garment hangers from the PRC would be likely to lead to continuation or recurrence of dumping at the levels indicated in the “Final Results of Review” section of this notice.

## SUPPLEMENTARY INFORMATION:

### Background

On September 3, 2013, the Department initiated the first sunset review of the antidumping duty order on steel wire garment hangers from the PRC, pursuant to section 751(c) of the Act and 19 CFR 351.218(c)(1).<sup>1</sup> The Department received a notice of intent to participate from M&B Metal Products Company, Inc., Innovative Fabrication LLP/Indy Hanger, and US Hanger Co., LLC (collectively, “the domestic interested parties”) within the deadline specified in 19 CFR 351.218(d)(1)(i).<sup>2</sup> The domestic interested parties claimed interested party status under section 771(9)(C) of the Act, as manufacturers of a domestic like product in the United States.

We received a complete substantive response from the domestic interested parties within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).<sup>3</sup> We received no responses from respondent interested parties. As a result, the Department conducted an expedited sunset review of the Order, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2).

The merchandise that is subject to the Order is steel wire garment hangers, fabricated from carbon steel wire, whether or not galvanized or painted, whether or not coated with latex or epoxy or similar gripping materials, and/or whether or not fashioned with paper covers or capes (with or without printing) and/or nonslip features such as saddles or tubes. These products may also be referred to by a commercial designation, such as shirt, suit, strut, caped, or latex (industrial) hangers.
